RE: Schedule for Response to DOGM Permit Review  
Letter of April 2, 1992

Dear Mr. Hedberg:

Your letter of January 19, 1993 asked for a written response by February 25 to the Division of Oil, Gas and Mining's permit review letter of April 2, 1992. In our telephone conversation of January 25, 1993 I explained that Mr. Kirkpatrick, who had been working on the permit, resigned from Morton Salt in early December. I asked that Morton have until April 2, 1993 to respond and you advised that that would be acceptable.

A written response confirming the extension to April 2, 1993 would be appreciated. Thank you for your cooperation in this matter.

Yours very truly,

*H.W. Diamond*
